

No. JU/09/00454/22

Vodňany, 24th January 2022

Measure of the Dean No. 1/2022 Dean's award for extraordinary activities

To support the excellent science, the transfer of science into practice and the development of international cooperation, the best publications and other extraordinary activities of the faculty's employees and students will be appreciated each year within the selected categories for the previous calendar year.

The proposal for awarding the prize can be submitted by any of the faculty's employees and students to the relevant director of the institute or the registrar of the faculty, who will evaluate the submitted proposals or, if necessary, supplement them and then submit them to the members of the Dean's Collegium before 30th April. It is supposed to submit up to 3 extraordinary activities in the relevant category for the given institute eventually the Dean's office.

Prizes in the categories mentioned below will usually be announced at the meeting of the whole faculty. The Dean of the faculty reserves the right to award other, unnamed extraordinary activities, or not to award the selected categories.

The number of rewards for obtaining the prize in the relevant categories:

The biggest publishing activity	5000,-
Best publication of the year	5000,-
Best publication of the author under 35 years	5000,-
Best student publication	5000,-
Best application result	5000,-
Faculty presentation – best positive visibility	5000,-
Significant international activity	5000,-

This Measure cancels the Dean's Measure No. 03/2018.

This Dean's Measure comes into effect on 24th January 2022.

Prof. Dipl.-Ing. Pavel Kozák, Ph.D.
Dean of the Faculty
